## December e-Blast

by Victor Madison

This is the monthly e-Blast for the Wright Flyers Club. It contains a quick summary of events that occurred during the month as well as other noteworthy items. *Sorry for the email system hiccup on the last issue.*

### Next Meeting

There will be no meeting in November and December. The next meeting will be January 30, 2018 at the Hernwood Elementary School.

### Building Season

With the onset of Winter weather, flying has been curtailed (for most of us). So, it's time to get busy on those projects that you have been putting off.

Please send me photos of your Winter Projects and I will share them with club members on the Wright Flyers web site.

Send photos and a short description to [vemadison@yahoo.com](mailto:vemadison@yahoo.com).

### Membership Renewal

Although our treasury is in pretty good shape after last season, we are by no means "rolling in the cash". Charles Boecker said that he will be making an extra donation to the club treasury to help keep the field in great flying condition next season. Charlie invites all members, that can afford it, to join him and send in a donation (however small) to the club treasurer for unexpected expenses during the upcoming flying season. We commend Charlie on this gesture and ask others to join in with a donation.

Send your new applications (and donations) to:  
Andrew Yurkovich  
109 Taunton Ave  
Catonsville, MD 21228

### UAS Registration

On December 12, 2017, President Trump signed legislation that will reverse the earlier court ruling in the John Taylor case and restore the FAA's UAS registration requirement, including for AMA members.

AMA believes that registration makes sense at some level, but has pushed for a more reasonable threshold. While we address these issues, members will be legally required to comply with the FAA registration requirement.

If you are not currently registered, go to the FAA registration web site to register.

You can register at <https://registermyuas.faa.gov>.

### Condolences

We wish to express our condolences to Ken Pramik. His wife Betty, lost her battle with cancer last month.

### Wright Flyers

Have a great holiday season. Visit us at <http://www.wrightflyers.org>
