- The Treasury Report given by David Klien.
- Members inquired about Victor Madison. He did not attend the meeting due to health issues.
- The meeting was Adjourned, and hotdogs were cooked on the grill.

FROM THE PRESIDENT

I am sorry I could not attend the July meeting. I had an accident that resulted in a head injury which put me in the hospital. I will reply with details by email.

I have realized that I have taken on too many duties for the club including Newsletter Editor, Web Master, and Presidential duties. This has resulted in a lack of attention to these responsibilities. I am therefore requesting a volunteer to assume the responsibility for *Newsletter Editor* to develop the quarterly newsletter.

Please let me know if you are interested. Send replies or questions to me at vemadison@yahoo.com or call me at 410-530-1448.
